THIS COUNTRY STANDS FOURTH. Three Countries Exceed the United States in Population. The census bureau report on the population of the United States and its posses-

sions, issued yesterday, says: "A census of the Philippine Islands was in progress in 1896 when the insurrection broke out, and returns for over two-fifths of the population were found stored in Manila. These were carefully tabulated, and the foregoing estimate is based upon the result. The figure for Porto Rico is taken from the census of 1899 made by the War Department in co-operation with the census office. The figures for Hawaii and Alaska and for persons abroad in the mili-tary and naval services are from the results of the twelfth census. Those from Guam are an estimate made in a report of the War Department, and those from American Samoa an estimate reported to

the census office by the acting secretary of the navy. "The total population of the United States at the close of the nineteenth century was about 84,250,000. As the population of the United States at the beginning of the century was about 5,333,000, the nation has grown nearly sixteenfold in 100 years. "There are but three countries which now have a greater population than the United States, viz., China, the British em-pire and the Russian empire. China and ably between 350,000,000 and 400,000,000, or together nearly one-half of the total popula-tion of the earth. The Russian empire, with about 131,000,000 people, has more than half as many again as the United States, and has been increasing during the century just closed with greater rapidity than any other European power. Its growth, like that of the United States, has been partly through the natural increase of its population and partly through great accessions of territory. It had about 38,800,000 people in 1800, and has increased more than three and a half times during the nineteenth cen-

"France, including its dependencies, is the fifth country of the world in order of population, and has about 83,600,000, or almost the same number as the United States. Of these, over 25,000,000 are in African dependencies, nearly 17,000,000 in Asia, and 2,000,000 in Madagascar. These five most populous countries together include over two-thirds of the estimated population of the world, which is placed by the best authorities at between 1,500,000,000 and 1.600.000.000."

Cost of Carrying Ocean Mails. In response to a resolution of the Senate adopted before the holiday recess at the instance of Senator Clay the Postmaster General has sent to the Senate a statement covering the expenditures of the government for carrying the ocean mails from July 1, 1887, to June 30, 1901. The statement shows the following expenditures for the last fiscal year: To the International Navigation Company, \$528,537; North German Lloyd, \$80,141; Hamburg-American, \$52,750; Cunard, \$213,772; White Star, \$91,-501; Compagnie Generale Transatlantique, \$24,842; service to Venezuela, \$56,450; service to Southampton, England, \$528,537; service to Mexico, \$127,602; service to Jamaica, \$117,490; service to Havana, \$73,476; service

to New South Wales, \$133,272.

Names for School Buildings. The District Commissioners have as yet assigned no name to the recently completed public school building at the corner of 3d and K streets southwest. The building is one of the most modern structures in the city and is for white children. The Commissioners have under consideration the name of Sayles J. Bowen, who was mayor

of Washington from June, 1868, to June, 1870, and who died December 16, 1896. The Commissioners, it is understood, also have under consideration the naming of the school building now nearing completion in Eckington in honor of the late President McKinley. The name has been recommended, it is said, by the board of education.
The Commissioners some time ago adopted the policy of naming the schools of the District for deceased mayors of the cities of Washington and Georgetown, Commissioners of the District and Presidents of the United States.

Admiral Casey at Callao. The Navy Department has received a dispatch from Rear Admiral Silas Casey announcing his arrival Tuesday aboard his flagship, the Wisconsin, at Callao, Peru. It has also been advised of the arrival of the training ship Prairie at Port of Spain, Capt. Penrose Ordered to Tacoma.

at Seattle, Wash., has been ordered to visit Tacoma, Wash., on business pertaining to shipping animals and other supplies from the latter place to the Philippines. He will also visit Forts Casey, Flagler and Wor-den, Wash., on business pertaining to con-struction duties at those posts. Mr. Penrose has introduced in the Senate a bill authorizing the Secretary of War to

CAUCUS NOMINATED GORMAN.

Murray Vandiver Named for State Treasurer at Same Time. A. P. Gorman was nominated for the United States Senate and Murray Vandiver for state treasurer by the democratic caucus at Annapolis, Md., last night. No other names were mentioned in the caucus and so far as the senatorship was concerned action was unanimous. That of Mr. Vandiver was enthusiastic, but not quite so unanimous, three delegates declining to vote for him. They were Mesers. Shepherd and Linthicum of Dorchester county and Shipley of Anne Arundel. These gentlemen, however, were present in the caucus and are considered by the democrats bound by it. The absentees were Messrs. Isaac Lobe Straus of Baltimore city, Messrs. Hackett of Dorchester and Leatherbury of Anne Arundel county. Mr. Leatherbury of Anne Arundel county. Mr. Leatherbury, it was said, was called home because of the illness of his child.

There were sixty-five members present and sixty-one is sufficient to elect on joint ballot. The question of the next senator and state treasurer is thus considered settled and there was great rejoicing among the democratic leaders after the caucus. The caucus was presided over by Senator John P. Moore of Worcester county, with Mr. Peter J. Campbell secretary.
